## A NOTE FROM OUR DIRECTOR

Dear Parenting Center Families,

We're pleased to welcome you to our new Spring 2011 session. You'll find that the Mann Family Early Childhood Center of Wilshire Boulevard Temple offers you and your children a place to discover and grow as a family – from birth to Nursery School readiness. At MFECC, your children are encouraged to explore our stimulating classrooms and play yards in a warm, supportive environment under the careful supervision of professional teachers and child development specialists. In small group settings, parents have an opportunity to discuss their children's growth and development, along with parenting issues every family faces.

The values of Reform Judaism permeate our center. We offer you a friendly environment, which exposes your child to Jewish customs, symbols, rituals and holiday observances.

Our parenting groups include art, stories, movement and the love of Judaism. In addition, we offer Shabbat classes and Grandparent & Me groups. There are even classes for your child to attend with you, your nanny or another favorite adult! All families attending our Parenting Center are welcome to join me for monthly parent educationals: Coffee with Carol.

Please contact me or my staff if you have any questions. I look forward to getting to know each of you.

Sincerely,

Carol Bovill, M.A., Ed.  
Director  
Early Childhood Centers
